

# CARVE *or* WHITTLE

**FUNCTION THAT CUTS BOTH WAYS.**

**New. The 55™.**

This handsome folder is a pint-sized version of our much-imitated 110 Folding Hunter. The 55™ has keepsake qualities. Yet it's a classic everyday knife. However you use it, you'll surely treasure it.

**BUCK**  
KNIVES

*The measure of a knife since 1902.*
