

Danner Expert Series

FITS LIKE A ROUND IN THE CHAMBER.

THIS BOOT IS WELL UPWIND OF ORDINARY.

It's an award-winning, highly versatile and often copied design for early-season hunting. Uniquely, the Grouse 8" offers an unrivaled fit. Due in no small part to our lace-to-toe configuration. At its heart is Danner's signature stitchdown construction. Which provides the satisfaction of daylong comfort. But that's what you'd expect from a boot so authentic to our 72-year legacy. With its leather and Cordura® upper for strength.

Grouse 8"

Its wider foot print for stability. Its Airthotic® insert for arch support and fatigue reduction. Its super rugged stitching for maximum durability. And its Danner Bob outsole – famous for mud and snow traction and all-terrain cushioning. Like every overbuilt boot in our Expert Series, the Grouse 8" exceeds expectations for craftsmanship, premium materials and quality. It lasts longer. Fits better. And thoroughly fills the bill for guys who love the sound of a chambered round.

EVERY PAIR OF BOOTS IS A PROMISE.

If ever a name stood for anything, Danner stands for uncompromising quality. That, and a decades-old culture of bootmaking craftsmanship and accountability that sets an example every step of the way, from the factory to your feet. Anything less is unacceptable. Anything less, and it wouldn't be Danner.

Danner®

Danner Dealers still favor that 1930s notion of "getting what you pay for." To find the one nearest you, go to Danner.com and click on Find A Dealer. You'll be rewarded for your effort.
